## How to Write an Anthology Book

*We look forward to serving you!*

AMANDA GOODSON  
GLOBAL, LLC

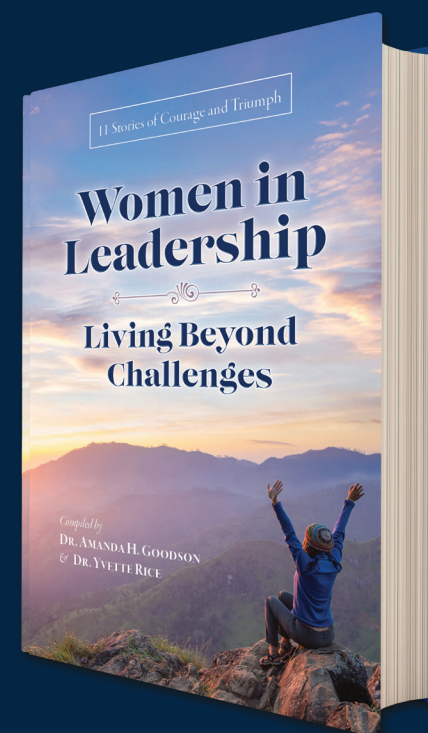

## OUR HISTORY

AGG, LLC a proven success record of writing books and anthologies. With many clients nationally, we aim to exceed the expectations of our clients and customers.

## STEPS

1. Decide on a book idea, theme, and title for your book.
2. Decide the page count of your book and how many authors you may want.
3. Develop a list of potential authors that you would like to be contributors.
4. Contact the authors and see their interest in doing the book.
5. Contract with the authors and establish guidelines for your book.
6. Write the chapters and finalize the chapters. Your writing should be clear and also meet the needs of your planned audience.
7. Select a person to help you with the cover design and also book formatting.
8. Select and finalize the cover.
9. Set the price and category of your book and then upload the book.
10. Establish a market plan early and how you plan to sell your books.
11. Congratulations, you have completed your book!

MAKE YOUR WORDS  
AN INSTRUMENT  
OF ART. WRITE  
FROM YOUR HEART.

## Project Management

Using our years of experience, proven method of project management, and tools, our capable staff of experts are available to guide you along the way. Other authors we have served, say that the AGG, LLG team made it easy for them. We make project management of your anthology effortless!
